Level Two Intermediate Obedience The focus of this class is to bridge the gap between beginner and more advanced training. Whether your goal is to compete or just to have a reliable pet, this program will give you the tools you need. Learn how to keep your dog's attention around distractions and develop reliable off leash skills, as well as how to become a more proficient handler. Six-week course: \$90.00. Includes homework sheets.

Thursday, March 11, 2010 at 5:30 and 7:00

Looking for more classes? Check out *Mahogany Ridge*! You can find them on the web at Mahoganyridge.net or call (518) 587-0810

Level Three Advanced Obedience

Advanced Obedience. If you're hooked on dog training, this class is for you. Designed for both competitor and pet owner in mind, you'll learn to polish the obedience and handling skills that you've been working on. Also, learn about what really drives your dog and how to best motivate him to get the results you want. Exercises will include precision off-leash heeling with distractions, long distance stays as well as fronts and finishes. Six-Week Program: \$90.00 Price includes homework sheets.
